It is time to come outside and see the damage winter weather may have brought to our homes, gutters, trees, and yards.

It is Spring-Cleaning Time!

As the season changes, this is an exciting time to get ready with some “spring cleaning tips” for your home and yard. We want to help keep the community looking its best for all to enjoy as summertime approaches, and to help keep property values up.

To keep the homeowners at Meadow Creek Subdivision up to date with some of the basic upkeep and neighborly matters of the community, The Board of Directors has produced this “spring cleaning” newsletter summarizing the most frequent questions and complaints we receive from residents during the year. We hope you find it helpful.

Architectural Changes

As a Board and your neighbors, we love to see you improving your homes. Whether it be a new exterior color, fence, adding a deck, or building a storage building. Did you know that per our Covenants and By-laws, approval from the Board's architectural committee is needed **before** you start your project?

Website and Facebook

The Architectural Request Form is located on our website:

www.meadowcreekhoa.com

Forms Documents for the community can be found in the "Documents" section of the website.

 Meadowcreek high point **keep up to date with our facebook community.**

Paperwork

Along with the request, we ask that you provide a description of the work to be done including : (paint color for shutters, doors), fence and materials to be used. It is best to err on the side of too much information.

An Architectural Review Request

Form must be submitted and approved BEFORE any improvement is made to your home including:

- **Exterior painting, roof, or gutter replacement** – all maintenance will be to the neighborhood standard as stated in by-laws.
- **Outbuildings (sheds)** - metal buildings are prohibited. One shed per Lot.
- **Walls and or fences** - metal fences and or poured concrete walls are prohibited.

Cleaning Tips

Maintaining Your Home after the Winter Months:

As our homes begin to age, we can see that time has affected many parts. Now is the time to give it the loving care it needs. Let us do some cleaning and repairs to help maintain our homes, looking and working its best for our enjoyment and the beauty of our community.

Paint shutters and doors

– this is the time to refresh those worn out or faded shutters and front doors that have been exposed to the elements for so many years!

Well maintained doors, shutters landscaping, and a tidy yard will add to a home's curb appeal.

Pressure washing - spring is a suitable time to get the mold and winter grime off your home and fences.

Weather treated wood

– replace old broken worn wood barrier, garden areas, fence boards and mulch.

Mowing – Prepare your mower. Clean parts, sharpen blade. When we begin the mowing season, remember to pick up the grass clippings from streets driveway and walkways.

Weed planting beds – Adding fresh mulch always adds an extra punch. While you are at it, why not plant some spring flowers to help add to the beauty of your yard and its curb appeal. Make sure to trim and remove old plantings around your foundation.

Reminder: Leave a minimum of one foot of clear space between plantings and foundation. Termites are prevalent in this area and keeping mulch and plants away from your foundation will help to keep the termites away.

Trash Toters/Sanitation

Please **do not** leave your trash cans / toters out for more than 24hours.

Place them behind approved barriers on the side of your home, in your garage or behind your home.

In accordance with County ordinances, 'trash containers should be removed by 7PM evening of pickup'. **Please, at least do not leave out no longer than a day.**

Trash cans/ (toters), garbage bags or recycling containers may only be stored in homeowners' backyard, beside their house (concealed by an approved barrier) or inside their garage. Please when you park your vehicle on the city street, park going with traffic as other vehicles can see the red reflection of your taillight lens.

ANIMALS

Excessive barking will disturb neighbors. Please be courteous and mind the hours your dog is outside at night. Barking is also considered a nuisance after certain hours.

Pets (dogs) **need to be** leashed while they are being walked throughout the neighborhood.

All animal waste **must** be picked up immediately then disposed of at the pet owner's property or in appropriate trash receptacles the Association provides.
